

Minutes for 2nd Global Tsunami Model (GTM) Meeting

Date/Time: 13th December 2015 10:00 – 16:00

Location of Meeting: AECOM Oakland office

Some smaller workgroup meetings were also held in the Moscone Centre 16th December

Present: S. Lorito (INGV), R. Basili (INGV), S. Murphy (INGV), F. Romano (INGV), A. Armigliato (U. Bologna), P. Cummins (Geoscience Australia), S. Allgeyer (ANU), E. Geist (USGS), A. Gailler (CEA), M. Miranda (IPMA), M. A. Baptista (IPMA), A. Yalciner (METU), U. Kanoglu (METU), K. Berryman (GNS Science / GEM), J. M. Gonzalez-Vida (UMA), T. Parson (USGS), C. B. Harbitz (NGI), F. Løvholt (NGI), H. K. Thio (AECOM), R. LeVeque (UW), L. Adams (UW)

Remotely: W. Power (GNS), C. Mueller (GNS), D. Burbidge (GNS), Y. Wei (NOAA)

Participants at later workgroup meetings: A. Barberopoulou (Air worldwide, US), C. Andrade (NOAA, US), V. Titov (NOAA, US)

Rapporteur: S. Murphy (INGV)

Short presentations were provided by:

- F. Løvholt: Recap on the last meeting
- K. Berryman: Overview of GEM
- C. Harbitz: Topics for workgroups
- F. Løvholt: Possible Funding sources
- S. Lorito: Possible initial activities
- R. Basili: Overview of TSUMAPS-NEAM project

Main outcomes and action points following the GTM meetings at AGU

Formation of three work groups with participants (**revised after meeting**):

WG1 – Organisation: Participants; **C. B. Harbitz (NGI, Norway, initial lead)**, M. A. Baptista (IPMA, Portugal), P. Cummins (Geoscience Australia), V. Titov (NOAA, US), INGV participant (Italy), A. Armigliato (UniBo, Italy)

WG2 - Stakeholders and External Funding: Participants; A. Suppasri (IRIDES, Japan), **F. Løvholt (NGI, Norway, initial lead)**, A. Yalciner (METU, Turkey), INGV participant (Italy), Geoscience Australia participant, Issa El Hussain (Earthquake Monitoring Center, Oman)

WG3 – Methods: **H.K Thio (AECOM, initial lead)**, in principle, most of the groups participating were interested in participating here.

Outstanding action points:

Action Item	Who
Find someone from GA to sit on Stakeholders and External WG	P. Cummins
Find someone from INGV to sit on WG1 & 2	S. Lorito
Update mailing list	F. Løvholt
Contact Christa Andrade about possible contacts for Central and South America and add to mailing list	S. Lorito / F. Løvholt

Circulate stable mailing list and presentations produced during meeting	F. Løvholt
Booking room at EGU for splinter meeting (next GTM meeting)	F. Løvholt / Ines Martins
White paper start-up	C.B. Harbitz
GTM poster for UN-ISDR science conference (due 10 January)	F. Løvholt
GTM follow up towards OASIS for possible presentation at CAT Risk Management conference	F. Løvholt
Register participants for GTM google groups	H.K. Thio
Initiate regular phone meetings on science group	H.K. Thio
Register participants for GTM GIT Hub	R. Leveque
Investigate possibilities for organizing GTM under existing IUGG structure	V. Titov

Milestones in 2016

January 10 – Poster for UN-ISDR Science and Technology conference

April 17-22 – GTM third meeting at EGU 2016 Vienna

May 16 – GTM White paper finalized before GFDRR Understanding Risk Forum

December – Overall organisational structure finalized.
